

**ATTENTION ALL CONCERNED AND
COMMITTED CHEYENNE DADS!!**

Once again, we're planning out for the new year-2008- for DADS ON DUTY. The goal of the program is to get all dads to participate with their child(ren) during the lunch and recess. It is also one way to breakaway from your boring, daily routine and spend some fun time with you child(ren) and their friends. And you can help make our playgrounds a safer place for ALL our children.

We have had a terrific response from our Dads and Granddads for "duty" but we always have room for more. Make the commitment to spend at least one lunch hour between now and the end of the school year with your child(ren). How about on your child's birthday? Or your birthday?

The program is real simple. Come to the school office, sign in (make sure you receive a DOD sticker), go to the lunchroom and help out, then head over to the playground, introduce yourself to the playground monitor, and help out there as well. That's it! Spend some quality time with the ones you love.

If you're interested, please fill out the form and send to Jeffrey Raskin at the correspondence information below. We will be putting together a calendar and will get back to you real soon. Let's make Cheyenne a better and safer place for all!
