

# Introducing an All-New Fundraising Effort (Without All of the Effort!)

Sponsored by Cheyenne Traditional School P.T.O.

DoozyofaDeal.com is helping us raise money by giving you amazing savings from local businesses.

## MAKING A LOCAL IMPACT!

Doozyofadeal.com is not a big corporation. In fact, it was started by two local parents in Scottsdale, looking for a better way to raise money for their kids' school.

## What Is Doozy of a Deal, and how will it help our school?

This online fundraising will help our school **earn hundreds**—even **thousands** of dollars every year!

Just sign up to receive **ONE "Deal of the Day"** email each day. **It's free**, and you can cancel anytime.

Subscribers save **50-70%** on great deals from local businesses, such as buying a **\$50** gift certificate for just **\$25** to your favorite restaurant.

Our school receives a **7.5%** donation on **EVERY** transaction made!

It's a win for struggling **businesses**, it's a win for our **school**, and it's a win for **you!**

**Tell your friends!** The more people we sign up, the more our school earns.
